### Description

The Vistosi Lio Ceiling/Wall Lamp 30 belongs to the Lio collection designed in 1972. It combines blown crystal glass with white glass in a restrained, calm form. The metal fitting in matt white 1 complements the clear glass composition. This version is designed with integrated LED in 2700 K or 3000 K with phase-cut/phase-angle or 0-10V/Push dimming; the dimensions are diameter 30 cm, depth 9 cm. The luminaire is intended for indoor use with IP20 protection.
