Materials	Blown glass and metal
Max. power	1 x 60W G9 Watt
Contents of the package	Luminaire without bulb
Power in watts	1 x 60W G9 W

Description

Oto combines spherical elements in blown rigadin glass into single pendants and expressive multi-light compositions. One electrified element reflects light across the remaining decorative spheres, creating lively and ever-changing plays of light. Depending on the version, the collection offers linear, round and chandelier-like arrangements for homes, hospitality and contract interiors.
