- baby
- cloakroom
- handicap
- man
- woman

Technical details

Country of Manufacture	 Germany
Manufacturer	Keilbach
Designer	Peter Keilbach
material	stainless Steel
Dimensions	H 12 cm B 4 cm

Description

When using the Keilbach Picto pictograms, confusion is impossible because the symbols point the way to the toilet, to the wardrobe or even to the changing room without any words.

The design of the symbols is minimalist yet unmistakable. The design is a single homage to the Bauhaus.

The five motifs are lasered from a 2 mm thick stainless steel plate. The pictograms are simply attached with mirror tape.

The following signs are available for selection:

Picto man (symbol man) 11 cm high
Picto woman (symbol woman) 11 cm high
Picto handicap (symbol handicap) 9.5 cm high
Picto cloakroom (symbol wardrobe) 4.8 cm high
Picto baby (symbol changing room) 8.8 cm high
