Description

The Post Krisi Chandelier from the manufacturer Catellani & Smith is a chandelier which is offered with three, five, seven or ten lights. Each light is a sphere as composite of two hemispheres with an integrated LED. For versions with three, five or seven pendants all shades are the same size and have a diameter of 14 cm. For the pendulum lamp with ten lights, six spheres are 14 cm large in diameter, the other four have a diameter of 20 cm.

The canopy of the Post Krisi Chandelier is made of satin metal and has a canopy of different size depending on the number of lights. All spheres of the chandelier have an untreated natural colour. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
