

Luceplan

Blow

Oberfläche

- multicolour (blue, green and orange)
- transparent
- transparent screenprinted

Description

The Luceplan Blow is a lighted ceiling fan. The ceiling fan can also be regulated with an optional remote control in light intensity and speed. It can also be regulated by the customer using a push-dimming system, for which a 5-core mains supply cable is required. There are available different rotors: in transparent, colour mix (blue, orange and green) or in transparent screenprinted. A switch for reversing the movement of rotors is also installed in the ceiling lamp. The design was developed by Ferdi Giardini in 1997.

Technical details

Country of Manufacture	 Italy
Manufacturer	Luceplan
Designer	Ferdi Giardini
Year of design	1997
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
Diameter in cm	140
material	methacrylate, polycarbonate
dimming	Dimmable by optional available remote control
Base / Socket	E27
Power (max. Watt)	105 Watt
light distribution	room light
Dimensions	H 40 cm Ø 140 cm
