

Oluce

Las 376

Oberfläche

- black grey
- matt black

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Mist-o
Year of design	2015
Protection class / IP rating	IP20
Contents of the package	LED
Projection in cm	50
material	aluminum, metal, polymethylmethacrylate
Switchability	on the lead, separately switchable
LED	inclusive
Colour Rendering Index	>85
Color temperature in Kelvin	3,000 warm white
lamp stand dimensions	Length 36, width 34 cm
system performance	3 x 18 Watt
LED number	3
Total luminous flux in lm	6,900
light distribution	directly and indirectly
Dimensions	H 177 cm

Description

The Las 376 of Oluce was created in 2015 by the designer team Mist-o. The floor lamp is made of individual horizontal and vertical bars which have been placed on one another in a multi-dimensional form. The height is 177 cm, the projection is 50 cm. The aluminum structure was cut out with a laser, the reflectors are made of metal. The diffusers are made of satin transparent polymethylmethacrylate.

The Las 376 has three integrated LEDs with each 18 watts of power. Two LED light sources emit their light upwards to create diffuse, indirect light and one emits light downwards. The indirect uplight can be switched separately from the downlight. The two surfaces matt black and black grey are offered.
