Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Lievore Altherr
Year of design	2018
Protection class / IP rating	IP20
Contents of the package	LED
Diameter in cm	40
material	aluminum, glass, steel
Height adjustment	height determinable
dimming	1-10V dimmable
Wattage	4 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	415
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	16 cm
total height	200 cm
Dimensions	H 21 cm Ø 40 cm

Description

The Vibia Tempo 5776 pendant lamp has a classic bulb shape under a disc-shaped reflector. The reflector has a diameter of 40 cm and is available in terracotta-red, graphite-grey, cream-white and green surfaces. All versions are matt lacquered. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source. On request, the pendant lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. The cable can be shortened if necessary. Special cable lengths are also available on request. DALI dimmable versions are also available on request, or versions that can also be dimmed using a smartphone app with an optionally available Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
