Description

The Vibia Palma 3728 is a pendant lamp with two diffusers and a plant pot suspended on top of each other. The diffusers have a diameter of 22 cm each and are made of mouth-blown glass. The lamp is offered in graphite-grey surfaces and is matt lacquered. The maximum total height is 300 cm. The cable length can be shortened if necessary. A special cable length is also available on request. Four LEDs with a colour temperature of 2,700 Kelvin extra warm white are integrated as illuminants; on request they are also offered with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. In addition, the pendant light is also available on request as a DALI dimmable version or as a version that can also be dimmed with an optional Casambi module via Smartphone App.
