surface	black
material	metal

Description

With the Marset C3 Ginger accessory, three Ginger wall lights can be combined together and connected to a single power supply. This accessory is suitable for connecting a Ginger 32 C, a 42 C and a 60 C together. The set is made of painted metal. In addition to this version, a C2 version is also available for connecting a Ginger 32 C and a 42 C to a single power supply.
