

Oluce

The Globe 828 OR

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Joe Colombo
Year of design	2018
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
Diameter in cm	30
material	Bronze, glass, metal
cable color	black
Cable length	300 cm
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	60 Watt
canopy dimensions	10 cm
light distribution	directly
Dimensions	H 27 cm Ø 30 cm

Description

The Oluce The Globe 828 OR is a pendant lamp with a transparent mouth-blown glass. Inside this glass there is an integrated metal lamp socket in which the light source is located. The light is emitted directly from the lamp into the room. This lamp has a gold satin anodised bronze surface. The transparent glass has a diameter of 30 cm and is 27 cm high. Both halogen lamps and LED retrofit lamps are suitable as light sources. The Globe lamps were designed in 1964 by Joe Colombo and have been reinterpreted by Oluce since 2015.
