

Cini & Nils

Convivio pendant lamp 2-lights LED

Oberfläche

- chrome
- black

Description

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDS are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.

Technical details

Country of Manufacture	 Italy
Manufacturer	Cini & Nils
Designer	Luta Bettonica
Designer 2	Mario Melocchi
Year of design	2005
Protection class / IP rating	IP20
Contents of the package	LED
Diameter in cm	11
material	aluminum, brass, glass, steel
Cable length	385 cm
Height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
LED	inclusive
Colour Rendering Index	92
Color temperature in Kelvin	2,800 warm white
canopy dimensions	14 cm
system performance	2 x 13 Watt
Total luminous flux in lm	2,600
Dimensions	H 65 cm Ø 11 cm
