Protection class / IP rating	IP20
Contents of the package material	LED
Height adjustment	acrylic glass, aluminum, glass, steel
dimming	height determinable
Wattage	on site dimmable with a trailing edge dimmer
LED	11 W
Colour Rendering Index	inclusive
Luminous flux in lm	>97
Color temperature in Kelvin	1,130
canopy dimensions	2,700 extra warm white
Shade diameter	8 cm
Shade height	26 cm
bulb exchange	21 cm
total height	on site itself
	125 cm

Description

The Serien Lighting Draft Suspension Tube S is a pendant lamp with a chrome-plated steel tube and can be individually set in its total height. The hand-blown, transparent glass is offered in clear, brown and blue. It is 21 cm high and has a diameter of 26 cm.

The Draft Suspension Tube S pendant lamp has a colour temperature of 2,700 Kelvin extra warm white. On request, the pendant lamp is also available with 3,000 Kelvin warm white or with dim to warm function. With this function, the dimming behaviour of classic incandescent lamps, which is perceived as pleasant, is imitated during dimming. When dimmed, the colour temperature of this version changes from 1,800 Kelvin extra warm white to 3,000 Kelvin warm white.
