dimming	dimmable with a trailing edge dimmer and with a leading edge dimmer
Wattage	11 W
LED	inclusive
Colour Rendering Index	>97
canopy dimensions	8 cm
Shade diameter	16 cm
Shade height	21 cm
bulb exchange	on site itself
total height	15 - 195 cm

Description

The Serien Lighting Drum Suspension Rope S Long pendant lamp is suspended from the ceiling with stainless steel cables. During installation, the lamp can be suspended in its total height between 15 cm and 195 cm.

The Drum Suspension Rope S Long has a glass diameter of 16 cm and a height of 21 cm. It is available with a colour temperature of 2,700 Kelvin extra warm white, 3,000 Kelvin warm white or with dim to warm function. When dimmed, the lamp with dim to warm function imitates the dimming behaviour of classic incandescent lamps, which is perceived as pleasant. As a result, the light not only becomes darker when dimmed down, but also changes its colour temperature from 1,800 Kelvin extra warm white to 3,000 Kelvin warm white.
