Protection class / IP rating	IP20
Contents of the package	LED
Diameter in cm	8
material	aluminum
beam angle	38 degrees
dimming	on site dimmable with a trailing edge dimmer
Wattage	8 W
LED	inclusive
Luminous flux in lm	600
bulb exchange	at the manufacturer / at the factory
light distribution	directly
Dimensions	H 11 cm Ø 8 cm

Description

The Lupia Licht Bloc S is made of aluminium and is available in white and black. The light head of this LED ceiling light can be turned to the side and then swivelled. This ceiling light can be swivelled 350 degrees and directs the light to the place where it is needed. The ceiling lamp Bloc S has a diameter of 7.5 cm and a height of 11 cm. An on site dimmable LED with a power of 8 watt is integrated as a light source. This lamp is available with a colour temperature of 2,700 extra warm white or 3,000 Kelvin warm white. The Bloc S comes from Lupia Licht from Germany.
