

Bomma

Disc Pendant Metal

Technical details

Country of Manufacture	 Czechia
Manufacturer	Bomma
Designer	Olgoj Chorchoj Studio
Protection class / IP rating	IP20
Contents of the package	LED 230 Volt
Diameter in cm	55
material	crystal glass, metal, Textile
cable color	black
Cable length	250 cm
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	13 Watt
LED	inclusive
canopy dimensions	14 cm
bulb exchange	on site itself
Dimensions	H 45 cm Ø 55 cm

Description

The Bomma Disc Pendant Metal is a pendant lamp with a mouth-blown glass that is half covered with metal in silver. The lower, clear part of the glass emits the light homogeneously downwards and into the room. The upper part of the glass with metal coating provides numerous light reflections on the lamp. Each glass is individually coated with metal during production, so that the intensity and colour of the metal coating can vary.

The Disc Pendant Metal has a cable with a maximum length of 250 cm which can be individually set during assembly. The E27 socket of the lamp is operated with a replaceable LED retrofit bulb.
