

Bomma

Pebbles Pendant Large Configuration 6-7

Version

- red
- black

Description

The Bomma Pebbles Pendant Large consists of four differently shaped glasses. Three of the four glasses of this pendant lamp are always in the same colour combination. The second glass from the top is offered in the versions black or red. The other glasses have these colours in both versions:

- the top glass is light grey
- the third glass from the top is white
- the lowest glass is black.

If desired, it is also possible to arrange the four glasses of the lamp in a different order. Each glass is made individually from mouth-blown crystal glass. With traditional, hand-blown glass, there may be small bubbles or irregularities in the glass. During production, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly long-lasting. As each glass is individually hand-finished, the colour intensity and shade may vary.

The metal suspension of the pendant lamp is powder-coated in matt black. The cable has a maximum length of 250 cm and can be shortened if necessary. On request, the pendant lamp is also available in other cable lengths. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. Bomma also offers the Pebbles pendant lamp in other colour and shape combinations of the glasses. A lamp with any glass combination can also be put together on request.

Technical details

Country of Manufacture	 Czechia
Manufacturer	Bomma
Designer	Boris Klimek
Protection class / IP rating	IP20
Contents of the package	LED
Diameter in cm	26
material	crystal glass, metal, Textile
cable color	black
Cable length	250 cm
Height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
Wattage	25.5 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	3,800
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	27 cm
Dimensions	H 118 cm Ø 26 cm
