Description

This Bomma Dark & Bright Star chandelier consists of six Large and six Small pendant lamps on a round canopy. In this chandelier, all twelve lamps have the same glass colour. The glass colours white and cigar brown are offered. The white coated canopy has a diameter of 62 cm and a height of 6.2 cm. The white lamps are supplied with a suspension in anthracite, the cigar brown ones with a suspension in brushed brass.

Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, small bubbles or irregularities may eventually appear in the glass. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. Each glass is finished by hand, so the colour intensity and tone may vary. All twelve lamps of this chandelier have a G4 socket and are operated with a replaceable LED retrofit.

The cables with a maximum length of 250 cm can be shortened if necessary. Dark & Bright Star chandeliers with up to 26 lamps with the available glass colours and suspensions are also offered by Bomma on request.
