Wattage	7.7 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	761.8
Color temperature in Kelvin	2,700 extra warm white
Dimensions	H 28 cm L 56 cm

Description

The Betec Clarus has a lamp head that can be rotated around its own axis. This allows it to illuminate or highlight a picture without glare and makes it ideal for picture, menu and music stand lighting. The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting. The lamp offered here has a length of 56 cm and a projection of 22 cm (bracket type 22).

The Betec Clarus 56 cm is offered in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. High-quality brass is used for the production, which is processed with craftsman's care. The scope of delivery includes a mounting set with which the lamp can be easily attached directly to a picture or to the wall. As standard, the lamp has a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED is characterised by very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. The picture light is offered by Betec in ten other lengths and with a projection of 11 cm or 17 cm.
